

# Advent Service Project

Families who are part of our Faith Formation programs are invited to take part in a service project for CSADV ([www.csadvsiouxland.org](http://www.csadvsiouxland.org)). CSADV provides shelter, crisis counseling, legal advocacy and other resources for victims of assault and domestic violence.

CSADV works with many survivors who are unable to provide for themselves and their children due to the hardship caused by an abusive relationship. It is CSADV's wish to provide new gifts to survivors of all ages and their children, ranging from newborn to 18 years of age.

For our Christmas Service Project, we will be collecting items off of the CSADV's Christmas Wish List that will be given to survivors. Students are not required to participate in the service project. Confirmation students who participate may use it as one of the Works of Mercy for their Confirmation preparation.

Families can bring donations during Religious Education sessions between November 4 and December 9, 2018.

**Please only bring items that are new, unused, and are requested on the list. Please do not wrap the donated gifts.**

Adoration of the Shepherds, Bartolome Esteban Murillo

## CSADV Christmas Wish List
